- Have to **stay up late**? The Answer is **No**.
- **Need To Be Attention**
  - Citation `\ref` and `\label` in LaTeX
  - References
  - How many *Pages*?

- Competition Position?
- No External Help!!! No Cheating!!! **HC Warning!!!**
- ChatGPT? **Allowed!**

During the contest, teams may use books, journals, computers, the Internet, programs that they write, or any other nonliving resources

- How to write a good abstract? (have been discussed)

a summary, no longer than 300 words in length, which will be an abstract providing key details of the work performed, answers to the questions posed, final numbers, results and conclusions.

- How to submit the paper?

Papers may be submitted as pdf, doc, or docx files. Each team must e-mail their paper to [solutions@uphyscsc.com](mailto:solutions@uphyscsc.com) and papers must be received before the contest ends. The contest ends exactly 48 hours after it begins. If a team's paper is not received via email by this deadline, the team will not be considered for medal ranking.

- Subject: `Team 333` To: `solutions@uphyscsc.com`
- Content: `Team 333 A` Attached: `333A.pdf`
